

The logo is a shield-shaped emblem. The top half is a dark blue inverted triangle containing the text 'GEN Z' in large white letters and 'MEMBER OF DELTA INDEX OBSERVATORY' in smaller white letters below it. The bottom half is a green inverted triangle containing the year '2025' in white. To the left of the shield, four blue-outlined stars are arranged in a descending diagonal line. A thick green border with rounded corners frames the entire shield.
